Dear Ms Munk

Re: Notice of Exhibition of modification application for Goulburn Poultry Processing Mixed Use Development (SSD 9143)

Thank you for your referral dated 18 September 2019 inviting comments from the Heritage Council of NSW on the above State Significant Development proposal.

The subject site is not listed on the State Heritage Register (SHR), nor is it in the immediate vicinity of any SHR items. There are no known historical archaeological sites of significance within the project area, with the heritage assessment (*Goulburn Mixed Use Development: Archaeological Assessment and Aboriginal Cultural Heritage Assessment*, prepared by Navin Officer Heritage Consultants Pty Ltd, dated June 2019), indicating the site has low potential for in-situ historic archaeological deposits of low significance.

Therefore, no further comments are required from the Heritage Council of NSW. The Department does not need to refer subsequent stages of this proposal to the Heritage Council of NSW.

If you have any questions regarding the above advice, please contact Anna London, Senior Customer Strategies Officer, at Heritage NSW, on 9873 8608 or anna.london@environment.nsw.gov.au.

Yours sincerely
