STATE SIGNIFICANT DEVELOPMENT 8667 MOD 2 (DESIGN REFINEMENTS) – LOTS 1-10 SEC 46 DP 758468 7 LOT 1 DP 133606, 130 GOLDSMITH STREET, GOULBURN – REDEVELOPMENT OF GOULBURN BASE HOSPITAL

Dear Ingrid,

Roads and Maritime Services (RMS) refers to your correspondence dated 14th October 2019 regarding the above state significant development modification.

RMS has completed an assessment of the development, based on the information provided and focussing on the impact to the state road network. RMS notes for this development:

- The key state road is Goldsmith Street;
- The modification proposes multiple amendments as a result of development of the detailed design to improve the efficiency of the building layout; and
- The approved layout shown in Attachment 1 and the proposed modified layout shown in Attachment 2.

Having regard for the above, RMS does not believe the development will have a significant impact on Goldsmith Road and on this basis, does not object to the development modification.

If you have any questions please contact Hayley Sarvanandan on 4221 2423.

Please ensure that any further email correspondence is sent to development.southern@rms.nsw.gov.au.

Yours faithfully,
