Dear Ms Cleary

**Sikh Grammar School Rouse Hill (SSD-9472) (Blacktown)  
Response to Submissions**

I refer to your email of 14 October 2019 to the Department of Planning, Industry and Environment (DPIE) Water and the Natural Resources Access Regulator (NRAR) about the above matter.

The following advice for you to consider is from DPIE Water and NRAR. Please note the Department of Primary Industries (DPI) and Crown Lands now provide a separate response.

**DPIE – Water and NRAR**

- The project must obtain a Water Access Licence should surface/and or groundwater be used or intercept during the construction or through the operations period.
- The stormwater outlet should be designed in accordance with the Guidelines for Working on Waterfront Land (WaterNSW, 2012) <https://www.industry.nsw.gov.au/water/licensing-trade/approvals/controlled-activities>

Any further referrals to DPIE – NRAR & Water can be sent by email to:  
[landuse.enquiries@dpi.nsw.gov.au](mailto:landuse.enquiries@dpi.nsw.gov.au).

Any further referrals to DPI & Crown Lands can be sent by email to: [dpi.cabinet@dpi.nsw.gov.au](mailto:dpi.cabinet@dpi.nsw.gov.au) & [lands.ministerials@industry.nsw.gov.au](mailto:lands.ministerials@industry.nsw.gov.au) respectively.

Yours sincerely

Liz Rogers  
Manager, Assessments
