Dear Mr Demertzi

Request for Secretary's Environmental Assessment Requirements (SEARS) for 42 Honeysuckle Drive, Newcastle (SSD 10378)

Thank you for your referral dated 14 October 2019 inviting SEARS input from the Heritage Council of NSW on the above State Significant Development (SSD) proposal.

The subject site is not listed on the State Heritage Register (SHR), nor is it in the immediate vicinity of any SHR items. The site does not contain any known historical archaeological sites requiring management. Therefore, no further heritage comments are required. The Department does not need to refer subsequent stages of this proposal to the Heritage Council of NSW.

As the site adjoins a local heritage conservation area, and there are local heritage items in the vicinity, advice should be sought from the City of Newcastle Council.

If you have any questions regarding the above advice, please contact Anna London, Senior Customer Strategies Officer at Heritage NSW, on 9873 8608 or anna.london@environment.nsw.gov.au.

Yours sincerely
