Dear Mr Fetterplace

Thank you for the request for advice from Public Authority Consultation (PAE-862), requesting the NSW Environment Protection Authority's (EPA) comments on the Modification Report for Barangaroo - R4A Residential Building - MOD 1 - Building R4A design & car parking changes (SSD-6964-Mod-1) (the proposal).

The proposal is for:

- Internal and external changes to the approved building design and landscaping
- Addition of a roof fire tank to service the sprinkler and hydrant system

Based on the information provided, the proposal does not require an Environment Protection Licence under the *Protection of the Environment Operations Act 1997*. The proposal is not being undertaken by or on behalf of a NSW public authority, and the EPA is not the appropriate regulatory authority for the proposal.

The local council should be consulted as the appropriate regulatory authority for the proposal. The EPA has no further comments on the proposal.

If you have any questions in relation to this letter please contact Mr Mark Hanemann on 9995 6845 or via email at mark.hanemann@epa.nsw.gov.au

Yours sincerely
