**SECRETARY'S ENVIRONMENTAL ASSESSMENT REQUIREMENTS (SSD 7187) – 120 FLATROCK ROAD LONGREACH, WEST NOWRA LANDFILL EXPANSION**

---

Dear Russ

Roads and Maritime Services (RMS) refers to your correspondence dated 23<sup>rd</sup> July 2019 regarding the subject application.

RMS has completed an assessment of the development, based on the information provided and focussing on the impact to the state road network. For this development, the key state road is Princes Highway.

RMS notes the development proposes an extension of Nowra Landfill as shown in Attachment 1.

RMS does not believe the development will have a significant impact on Princes Highway and on this basis, does not object to the development application.

If you have any questions please contact Hayley Sarvanandan on 4221 2423.

Please ensure that any further email correspondence is sent to [development.southern@rms.nsw.gov.au](mailto:development.southern@rms.nsw.gov.au).

Yours faithfully
