Dear Andrew

**ROYAL INSTITUTE FOR DEAF & BLIND CHILDREN (RIDBC)
CENTRE FOR EXCELLENCE
Property: Macquarie University, NSW**

I refer to RIDBC's proposed development on the Property.

RIDBC are proposing development of a Centre of Excellence on land within folio identifiers 191/1157041 and 8/1047085, owned by the University (University Land).

I am authorised by the University to consent to the lodgement of development applications that affect the University Land. By this letter I consent to RIDBC lodging a request for the issue of the Secretary's Environmental Assessment Requirements (SEARs) for the proposed development of a Centre of Excellence on the University Land. This consent:

1. relates to the lodgement of a SEARs request with the Department of Planning, Industry and Environment only and is for no other purpose; and
2. is not consent for RIDBC to access or undertake works on the University Land. The University will require a separate agreement regarding access to undertake works, and requires a right to approve works on the University Land before works commence. This will be the subject of a separate agreement between the University and RIDBC on terms acceptable to the University.

If you wish to discuss this letter or the University's terms for access to and works on the University Land, please contact Cameron Kline, Head of Planning and Development, on 9850 7158 or cameron.kline@mq.edu.au.

Yours faithfully

Mark Broomfield
