Dear Mr Anmak

**IMSA Gallipoli Campus Auburn Modification 1 (SSD-8926-Mod-1)
Request for Additional Information**

I refer to the response to submissions (RtS) lodged in relation to the modification application for the IMSA Gallipoli Campus Auburn (SSD-8926-Mod-1). After careful consideration, the Department requests that you provide additional information.

The Department notes the Council issued tax invoices and booking confirmation notices for the use of the Marie Dunn netball courts provided in the RtS. However, the request for written advice confirming agreement for the ongoing use of Council's facilities as required in Council's submission has not been adequately addressed. It is also noted that the RtS states that the school is in the process of arranging additional/longer lease periods with Council. Once an agreement has been reached with Council, please provide the Department with a copy of the agreement.

In addition, the RtS states that the school has liaised with Council's Parks team and the Alpha/Omega College, and it has been agreed that there is sufficient space in the netball court areas to accommodate for the use of Wyatt Park facilities by both schools. Please provide the Department with evidence of the agreement.

You are requested to provide the information, or notification that the information will not be provided, to the Department by Friday 11 December 2020. If you are unable to provide the requested information within this timeframe, you are requested to provide, and commit to, a timeframe detailing the provision of this information.

If you have any questions, please contact Dimitri Gotsis, who can be contacted on 8217 2053 or Dimitri.Gotsis@planning.nsw.gov.au.

Yours sincerely,

Jason Maslen
