Dear Mr Izzet Anmak

### **MARIE DUNN NETBALL COURTS, WYATT PARK SPORTING COMPLEX HIRE**

The Marie Dunn Netball Courts are situated within Wyatt Park Sporting Complex, which is managed by Cumberland City Council. The courts, four of which are required by the school, are currently available through seasonal and casual hire. Council staff have been liaising with the School and understand their need to provide play space for their students.

Council is currently only taking applications for hire up until June 2021 as we work on implementing a new booking system.

Local Government Area schools are given priority for bookings within Cumberland when applying for use of sporting facilities. International Maarif Schools of Australia is within the Cumberland City Council boundary, therefore, will receive priority over other schools outside the region when applying for term three and four early next year.

Should you require further information, please contact Council's Sports Club Liaison Officer, Ms Emma Higgins on 02 8757 9621 or [emma.higgins@cumberland.nsw.gov.au](mailto:emma.higgins@cumberland.nsw.gov.au)

Yours faithfully
