Dear Mr Davis

New England Solar Farm (SSD-9255)
Accommodation and Employment Strategy

I refer to your letter dated 13 January regarding the Accommodation and Employment Strategy (AES) for the New England Solar Farm (NESF).

I confirm that UPC\AC Renewables has lodged a request to the Department of Planning, Industry and Environment to stage a number of secondary plans required for NESF, which includes the Accommodation and Employment Strategy. The request was submitted via the Major Projects Portal on 15th January 2021.

Please advise if you require any additional information from UPC to finalise your assessment of the AES.

Kind Regards,

Tim Kirk
Project Development Manager
