Dear Mr Sinn

**Modification 7 IMAX Redevelopment (SSD 7388 Mod 7)
Request for Additional Information**

I refer to the Response to Submissions for the IMAX Redevelopment Modification 7 (SSD 7388 Mod 7). After careful consideration, the Department is requesting that you provide additional information.

In order to assess whether the proposed noise limits for the pool/bar area are appropriate, the Department requires the submitted noise report to be updated to include background noise measurements from the nearest sensitive residential receivers, for both usage periods (7am to midnight and midnight to 7am).

You are requested to provide the information, or notification that the information will not be provided, to the Department by 9 May 2019. If you are unable to provide the requested information within this timeframe, you are requested to provide, and commit to, a timeframe detailing the provision of this information.

If you have any questions, please contact David Glasgow, who can be contacted on 82751182 or david.glasgow@planning.nsw.gov.au.

Yours sincerely
