Dear Mr McIlveen

Request for Additional Information

I refer to MOD 2: Extension of trial period trading hours and increased patron capacity (SSD-7683-Mod-2). After careful consideration, the Department is requesting that you provide additional information.

You are requested to submit the following additional information:

- Compliance with Condition F4(iii)

Demonstrate the Venue Floor Plan, in the Plan of Management, allocates a comfortable dining position for the 1000 patrons proposed under SSD 7682 MOD 2. As per Condition F4(iii), this must include a seat and access to table/bench space.

- BCA Sanitary Facilities

The Department notes the BCA statement provided with the original application calculated the requirement for sanitary facilities based on 1,271 patrons and 24 staff. The Department requests you locate and quantify the actual number of sanitary facilities provided at the site. The Department also requests you quantify the surplus sanitary facilities when the BCA rates are applied to the 1070 persons proposed under SSD 7682 MOD 2.

You are requested to provide the information, or notification that the information will not be provided, to the Department by Wednesday 24 July 2019. If you are unable to provide the requested information within this timeframe, you are requested to provide, and commit to, a timeframe detailing the provision of this information.

If you have any questions, please contact Tim Green, who can be contacted on 02 8275 1065 or at tim.green@planning.nsw.gov.au.

Yours sincerely,

David McNamara
