Dear Mr Nicholls

**Kambala Sport, Wellbeing and Senior Learning Precinct (SSD-10385)  
Request for additional information**

I refer to the Response to Submissions (RtS) document for the Kambala Sport, Wellbeing and Senior Learning Precinct (SSD-10385).

The Department of Planning Industry and Environment (Department) and Heritage Division of the Department of Premier and Cabinet, NSW (Heritage NSW) have reviewed the updated Historical Archaeological Assessment (HAA) that has been prepared by Urbis and dated 22 December 2020 as provided in the RtS package.

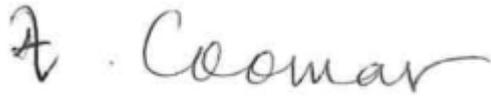

Heritage NSW have reviewed the updated HAA and consider it to be insufficient. The Department concurs with the comments from Heritage NSW (attached to this letter) and requests that you provide the following information prior to further assessment of the application:

- a detailed explanation of the impact that the proposed development on the potential archaeological remains as outlined in Section 4 of the updated HAA.
- a statement of archaeological significance that clarifies and appropriately addresses the significance of the identified potential archaeological remains/resources that have been outlined in Section 4 of the updated HAA.
- an outline of an Archaeological Research Design (ARD) for areas identified as containing moderate archaeological potential and the overall site. The ARD should clearly indicate how the different areas of the site have been assessed and should detail the proposed approach and methodology (broad) that would be undertaken to ensure appropriate archaeological management of the site.

Please provide the information or notify us that the information will not be provided, by Friday 18 June 2021. If you cannot meet this deadline, please provide and commit to an alternative timeframe for providing this information.

If you have any questions, please contact Rita Hatem, on (02) 8275 1033 or at [Rita.Hatem@planning.nsw.gov.au](mailto:Rita.Hatem@planning.nsw.gov.au).

Yours sincerely,
