Dear Mr Lawler

Parramatta West Public School Redevelopment-Mod-3 (SSD-8790-Mod-3)
Request for additional information

I refer to the Assessment of the Parramatta West Public School Redevelopment-Mod-3 (SSD-8790-Mod-3). We require additional information in your assessment as noted below:

- Heritage issues need to be accurately addressed in a Statement of Heritage Impact. The modification application provides minimal consideration of potential heritage impacts, however a justification used for the original re-development of Parramatta West Public School was the removal of the demountable buildings around the heritage buildings and improved heritage outcomes. As two demountable buildings in close proximity to a heritage building are now proposed to be retained, additional justification is required in the form of a Statement of Heritage Impact as to why this is now acceptable.
- Please add the required information at Appendix A and B within the Modification Report, and include appropriate references within the Modification report.

Please provide the information, or notify us that the information will not be provided, by Wednesday 23 June 2021. If you cannot meet this deadline, please provide and commit to an alternative timeframe for providing this information.

If you have any questions, please contact Nick Hearfield, at nick.hearfield@dpie.nsw.gov.au.

Yours sincerely,
