Dear Ms Campbell,

**Mayfield West Waste Facility Mod 1 (SSD-7698-Mod-1)
Request for additional information**

I refer to the assessment for the Mayfield West Waste Facility Modification 1 (SSD-7698-Mod-1).

The Department notes the Surface Water Validation Report (SWVR) for the Mayfield West Recycling Facility required under Condition B35 is still being prepared. As discussed on 27 July 2021, the Department is unable to complete its assessment of SSD-7698-Mod-1 until the surface water management system has been validated.

Please provide the SWVR as soon as possible to reduce delay in assessing the modification. Please provide the information, or notify us that the information will not be provided, by Monday 29 November 2021. If you cannot meet this deadline, please propose an alternative timeframe for providing this information.

If you have any questions, please contact Katelyn Symington, on (02) 8275 1216 or via email at katelyn.symington@planning.nsw.gov.au.

Yours sincerely,
