

Ref: 034-St Marys-RFI Response

11 February 2020

Director, Social and Infrastructure Assessments
Department of Planning, Industry & Environment
320 Pitt Street
Sydney NSW 2000

Attention: Dominic Crinnion

Dear Dominic,

RE: Response to Request for Additional Information for St Marys Intermodal (SSD-7308)

I refer to the Department's letter dated 8 November 2019 requesting additional information to support the assessment of the St Mary's Freight Hub. On behalf of Pacific National, we submit the following information.

Enclosed response tables to correspondence from the Department of Planning, Industry and Environment, Penrith City Council, Transport for NSW, and the NSW Environment Protection Authority (see Attachments 1-4).

Also enclosed are the following documents:

- 'St Marys Freight Hub | Heavy Vehicle & Transport Analysis: Summary Report' by Urbanco
- 'St Marys Freight Hub: Noise and Vibration Impact Assessment - Post Exhibition Version (update)' by AECOM
- 'St Marys Freight Hub Offsite - Response to EPA Comments December 2019' by AECOM

The information in this letter and the enclosed documents provide a complete response to all requests for information and agency comments. We now respectfully request that the final assessment of the St Marys Freight Hub proposal progress to final assessment.

If you have any questions or wish to discuss this further, please contact me on 0477 474 091.

Yours faithfully

Urbanco Group Pty Ltd

Guy Evans
