Kevin Maclellan
Health Infrastructure
1 Reserve Road, St Leonards, NSW 2065

Dear Kevin Maclellan,

**Sutherland Hospital Operating Theatre Upgrade (SSD-11099584)
Request for additional information**

I refer to the State significant development (SSD) application for the Sutherland Hospital Operating Theatre Upgrade (SSD-11099584) and the letter received from The Department of Planning Industry and Environment on 29 September 2021 requesting the following information:

- Clarify concerns regarding the impact of the planting of four street trees on sightlines from the Ambulance Station.

The requested incorporation of 4 street trees on Kareena road adversely effects lines of sight for ambulances exiting the Ambulance Station onto Kareena Road South bound lane with tree trunks and canopies obstructing the view of oncoming traffic. I have reviewed with our Safety and Recovery Business Partner Sam Stack and see supports our objection to the trees being planted.

If you have any enquires about this matter, please contact Deborah Smith from NSW Ambulance on 0407 296 254.

Yours sincerely,
