Subject: Response to the request for Information by DPIE – New Public School in Mulgoa Rise, Glenmore Park (SSD-11070211)

Dear Jonathan

On behalf of School Infrastructure NSW (SI NSW), RPS provides in the attached Connecting with Country document, a response to the Department of Planning, Industry and Environment's (DPIE) Request for Additional Information (RFI), dated 19th November 2021.

The document details the engagement with the Aboriginal community undertaken by NBRs Architecture and Comber consultants.

It is our opinion that the attached document addresses the "Connecting with Country" framework as requested by the State Design Review Panel.

Please do not hesitate to contact Ms Helen Mulcahy, Principal Development Planner at SI NSW, Helen.Mulcahy@det.nsw.edu.au or Rob Dwyer at rob.dwyer@rpsgroup.com.au should you require any further information.

Yours sincerely,
for RPS Australia East Pty Ltd
