Dear Mr Wearne

**Airly Mine Extension Project - Modification 3 (SSD-5581-Mod-3)  
Request for Information**

I refer to the above modification application for Airly Mine Extension Project (SSD-5581).

The Department notes that the activities proposed under this application would occur underneath the Mugii Murum-ban State Conservation Area. As such, landowner's consent from the Minister for Energy and Environment is required.

I understand that Centennial Coal has requested this consent through the NSW National Parks and Wildlife Service (NPWS) and is awaiting a response.

The Department requests that evidence of landowner's consent for the application is provided at the earliest convenience.

If you wish to discuss this matter further, please contact Andrew Rode on 02 8289 6744 or at [andrew.rode@planning.nsw.gov.au](mailto:andrew.rode@planning.nsw.gov.au).

Yours sincerely,
