Dear Mr Kelly

Martins Creek Quarry Project (SSD-6612)
Request for additional information

I refer to the Response to Submissions (RtS) for the Martins Creek Quarry Project (SSD-6612). The Department of Planning and Environment (the Department) provided the RtS to the Department's Water Group (the Water Group) for comment. Advice on the RtS from the Water Group was received on 20 December 2021 (refer to Attachment A).

Consistent with the attached advice, the Department is requesting that you quantify the maximum surface water take for the project during operations and void filling and demonstrate that adequate water licences can be acquired within the water market.

Please provide the information, or notify us that the information will not be provided, by Friday 25 February 2022. If you cannot meet this deadline, please commit to an alternative timeframe for providing this information.

If you have any questions, please contact James McDonough, on 0295856313/ at james.mcdonough@dpie.nsw.gov.au.

Yours sincerely,
