Dear Mr Johnson

Moorebank Intermodal East - Mod-3 (SSD-7628-Mod-3)
Request for Additional Information

I refer to your email of 17 August 2020 regarding proposed changes to Moorebank Intermodal East-Mod-3 (SSD-7628-Mod-3) and Moorebank Intermodal East-Mod-1 (SSD-7628-Mod-1). After careful consideration, the Department is requesting that you provide additional information.

Please confirm that the following components of SSD-7628-Mod-1 are requested to be integrated as part of the application for SSD-7628-Mod-3:

- modification to signage requirements under condition B141(f) of consent
- administrative modifications to multiple conditions – general referencing.

With regard to your email of 17 August 2020, the Department considers that it would not be in a position to issue a partial determination in respect of SSD-7628-Mod-1, such as determining the items above and deferring determination of the residual traffic-related matters.

You are requested to provide the information, or notification that the information will not be provided, to the Department by Friday 18 September 2020. If you are unable to provide the requested information within this timeframe, you are requested to provide, and commit to, a timeframe detailing the provision of this information.

If you have any questions, please contact Nathan Heath, who can be contacted on 02 8289 6617/ at nathan.heath@planning.nsw.gov.au.

Yours sincerely,
