Dear Sheelagh,

Date 16/12/2020

**SSD 6666 HYDRO ALUMINIUM REMEDIATION PROJECT:  
Response to Request for Additional Information**

This letter has been prepared on behalf of Hydro Aluminium Kurri Kurri Pty Ltd (Hydro) in response to the Request for Additional Information from the Department of Planning, Industry and Environment (the Department) dated 14 September 2020. The Request for Additional Information requested our response to the revised draft Voluntary Planning Agreement.

Following subsequent negotiations in development of the Voluntary Planning Agreement, Hydro can confirm that the final version of the Voluntary Planning Agreement was executed by Hydro on 11 December 2020. An electronic copy of the executed document was provided to the Department on 11 December 2020 and three signed copies of the document have been forwarded to the Department.

We expect that this addresses the Request for Additional Information. Please feel free to give me a call to discuss.

Yours sincerely
