Application No	SSD 10269
Description	Southern extension of existing underground coal mining operations at the Narrabri Coal Mine, including the extraction of coal at rate of up to 11 million tonnes per annum of run-of-mine coal until 2044 and upgrades to and continued use of existing infrastructure.
Location	Kurrajong Creek Road, Baan Baa
Applicant	Narrabri Coal Operations Pty Ltd
Council Area	Narrabri Shire
Determination	Consent granted, subject to conditions
Determination Date	1 April 2022
Registration Date	5 April 2022
Consent Authority	NSW Independent Planning Commission

On 1 April 2022 the NSW Independent Planning Commission (the Commission) approved the development application for the Narrabri Underground Mine Stage 3 Extension Project (SSD 10269), in accordance with Part 4 of the *Environmental Planning and Assessment Act 1979* (the Act).

The development consent is subject to conditions. The reasons for approval and the conditions are provided in the Planning Secretary's Environmental Assessment Report and the Commission's Statement of Reasons for Decision. These documents can be found on the Department's Major Projects website at: <https://www.planningportal.nsw.gov.au/major-projects/projects/narrabri-underground-mine-stage-3-extension-project>

The consent has effect on and from 5 April 2022. The consent lapses on 5 April 2027 unless the development has physically commenced before that date.

Reviews/Appeals

The Commission conducted a public hearing in respect of the application.

Certain appeal and review rights are available to applicants and objectors following determination of a development application. The applicant does not have the right to request a review of the determination under section 8.3 of the Act. As there was a public hearing by the Commission, neither the applicant nor objectors have a right of appeal to the Land and Environment Court under section 8.6(3)(a) of the EP&A Act.
