

## **Advice on EIS: Culcairn Solar Farm**

# **Environment Protection Authority**

### **Comments**

The EPA has responsibilities for pollution control and environmental management for scheduled activities under the Protection of the Environment Operations Act 1997 (POEO Act). Based on the information provided the proposed activity is not scheduled under the POEO Act and the solar farm will not require an Environment Protection Licence. Greater Hume Shire Council will be the appropriate regulatory authority for matters relating to the POEO Act for this development.

On this basis the EPA has no comment to make in relation to the Environmental Impact Statement and requires no further consultation on this proposal. If you have any further enquiries about this matter please contact Craig Bretherton by telephoning 02 6969 0700 or by electronic mail at [riverina.farwest@epa.nsw.gov.au](mailto:riverina.farwest@epa.nsw.gov.au).
