

MORIAH COLLEGE

PLAN OF MANAGEMENT

1. PREAMBLE

Moriah College (**College**) is an independent, co-educational modern Orthodox Jewish school, which prides itself on providing the highest standard of Jewish and general education.

The College's Queens Park Campus at Queens Park Road, Bondi Junction (**QPC**), is owned by the Trustees of the Moriah College Building Fund. The College which is operated by the Moriah War Memorial College Association and the Moriah War Memorial Jewish College Association Limited, is supported by the Moriah College Foundation Limited. The Synagogue on the QPC, is operated by Kehillat Moriah Incorporated (**Kehilla**).

The College has significant links to and maintains a strong connection with, the wider Sydney Jewish Community and Jewish communal organisations. The relationship between the College and the community is critical to fostering a sense of identity, community and Jewish continuity in the College's students.

Because the College is an orthodox Jewish school, it does not conduct any activities on the Jewish Sabbath (**Shabbat**) or on Jewish holydays. As a result, apart from religious services conducted by the Kehilla, the College is closed throughout the year, from dusk on Friday evening until dusk on Saturday evening and on all Jewish holydays. For the same reason, unlike most other independent schools, the College does not have any Saturday sports (or other) programs.

This Plan of Management relates to the Early Learning Centre, Primary School and Secondary College located on the QPC. The QPC comprises three lots known as 101 York Road, 1 Queens Park Road, and 3 Queens Park Road, Queens Park. The lots are legally described as Lot 22 in DP 879582, Lot 1 of DP 701512 and Lot 3 in DP701512.

2.0 MANAGEMENT

2.1 MCCC

This Plan of Management is overseen by the Moriah Community Consultative Committee (MCCC).

The MCCC reviews relevant community interests in College operations, including compliance with the Plan of Management and relevant statutory approvals. The MCCC oversees actions and time frames to address agreed issues or non-compliances.

2.2 Stakeholders

The MCCC comprises the following:

- College: 2 representatives; and
- Queens Park Precinct: 2 representatives from the Executive Committee.

2.3 Meetings

The MCCC meets at least once annually, and up to every 3 months as needed. The first meeting each year will not occur earlier than the third week of February.

The MCCC meets at the offices of Waverley Council or an alternative location agreed between attendees.

2.4 Meeting Agenda

An agenda will be prepared and circulated to attendees ahead of meetings. Representatives from Council may be invited to attend meetings as agenda items require.

Minutes are made of MCCC meetings and distributed to attendees.

2.5 Decision making

The MCCC will use best endeavours to reach consensus on decisions, with Council to be invited to mediate where that is not possible.

3.0 STATUTORY COMPLIANCE

College is to comply with the requirements of statutory approvals issued in regard to College operations and development.

4.0 ALLOWABLE SITE USE

4.1 Educational

All uses necessary to provide a comprehensive educational service for Age 2 through to Year 12, including indoor and outdoor activity.

4.2 School Community

School community uses necessary within the facility for educational, social, religious or sporting reasons.

4.3 General Public Use

The Swimming Pool, Gymnasium and Auditorium are to be maintained for general public use in accordance with Waverley Council DA Consent 86/193.

5.0 HOURS OF USE

The 'core' hours of use of the College are:

- 6am to 6pm during winter (Australian Eastern Standard Time); and
- 6am to 8pm during summer (Australian Eastern Daylight Time).

Uses allowed outside of 'core' hours at the College are detailed in **Appendix A**.

Additional uses can only be permitted subject to prior written approval of Council. The Council will not unreasonably withhold approval where the following criteria are satisfied:

- On site car parking is provided for activities occurring after 6pm.
- Activity is held in the auditorium or elsewhere where potential for noise impacts are low.
- The event is concluded by 10pm.

6.0 SITE POPULATION

6.1 Students

The student population is to be limited to a maximum of 1970 including no more than 130 Early Learning Centre students.

Enrolled student numbers for each year are to be provided to the MCCC for information.

6.2 Teaching Staff

Staff population is to be maintained at reasonable numbers of full time or part time staff necessary to implement the College educational curriculum.

The anticipated numbers of teaching staff for each year are to be provided to the MCCC for information.

6.3 Administration & Maintenance Staff

Administration and maintenance staff population is to be maintained at reasonable numbers of full time or part time staff necessary to implement the College educational administration.

The anticipated numbers of administration and maintenance staff for each year are to be provided to the MCCC for information.

7.0 TRAFFIC MANAGEMENT

7.1 Transport, traffic and parking management

In order to operate safely and efficiently and to minimise disruption to neighbours, the College monitors and enforces appropriate traffic and transport arrangements through a Transport, Traffic and Parking Plan (TTPP) which addresses the following matters:

- Pedestrian access.
- Maximising use of public transport.
- Maximising use of bus transport for students.
- Staff parking.
- Student parking to an approved location away from the area bounded by Queens Park Road, York Road, Birrell Street North and Bourke Street east.
- Parent conduct in dropping off and collecting students.
- General public use, including weekend use of the proposed College carpark.
- Site access, including the closure of the Queens Park Road entrance gate to pedestrians from 8am-10am and 2pm-4pm on school days except for security or emergency purposes.

Overall the TTPP discourages parents/guardians from using private transport to drop off and collect students and actively encourages the use of public transport and the College shuttle bus. Private transport arrangements are discouraged and must comply with “internal ring road” and “Go with the Flow” movement systems. The College also actively encourages parents/guardians to car-pool.

Details of the TTPP and its requirements are communicated to parents, guardians, staff and students. The TTPP will be publicly accessible on the College’s website.

7.2 Monitoring and review

The effectiveness of the TTPP is reviewed by the MCCC having regard to any feedback received from Waverley Council.

Alterations to the TTPP require the approval of the MCCC.

Alterations to the TTPP that affect operations of the surrounding road network, including York Road, Queens Park Road and Baronga Avenue, shall be approved by the Waverley Traffic Committee.

8.0 COMPLAINTS REGARDING COLLEGE OPERATIONS

8.1 Procedure

The College's complaints handling procedures may vary from time to time (i.e. responsibility for specific actions may be reallocated internally for administrative purposes). However, it includes a process for members of the public to make complaints regarding the operations of the College. The key components of this process are:

- A mechanism for telephone, written and electronic complaints or feedback regarding the operations of the College will be available on the College's website.
- A senior member of the College's Staff will be appointed to ensure any complaints are appropriately recorded, investigated, managed, responded to and actioned.
- The College will maintain a Complaints Register which will record details of complaints received, including:
 - Name and contact details of the complainant (if provided), or a notation - "details not provided";
 - How the complaint was received (i.e. phone, letter or e-mail);
 - Time and date the complaint was received;
 - Subject matter and urgency of the complaint;
 - Brief detail of the action taken including (where the complainant's contact details are known), when the complaint was acknowledged and when and what feedback if necessary, was provided to the complainant;
 - Details of when and by whom (which authorised officer) the complaints register was inspected and the relevant authorised officer of the Waverley Council; and
 - Date when updates to the complaints register was provided to the Moriah College Community Consultative Committee (MCCC).
- Complaints will be acknowledged within one College working day (not including Jewish holy days or public holidays, of other days on which the College is closed).
- A copy of the Complaints Register will regularly be provided to the College Principal and the College Board.
- A copy of the Complaints Register will be made available for inspection by an authorised officer of the Waverley Council.

An update on the Complaints Register will be provided to each MCCC meeting summarising complaints received since the last MCCC meeting.

8.2 Contact details

Complaints regarding College operations should be directed to College by way of:

- Email: info@moriah.nsw.edu.au
- 24-hour telephone: as shown on the College website.
- Written correspondence to the address and contact person as shown on the College website.
