

MORIAH COLLEGE

PLAN OF MANAGEMENT

1. PREAMBLE

Moriah College (**College**) is an independent, co-educational modern Orthodox Jewish school, which prides itself on providing the highest standard of Jewish and general education.

The College's Queens Park Campus at Queens Park Road, Bondi Junction (**QPC**), is owned by the Trustees of the Moriah College Building Fund. The College which is operated by the Moriah War Memorial College Association and the Moriah War Memorial Jewish College Association Limited, is supported by the Moriah College Foundation Limited. The Synagogue on the QPC, is operated by Kehillat Moriah Incorporated (**Kehilla**).

The College has significant links to and maintains a strong connection with, the wider Sydney Jewish Community and Jewish communal organisations. The relationship between the College and the community is critical to fostering a sense of identity, community and Jewish continuity in the College's students.

Because the College is an orthodox Jewish school, it does not conduct any activities on the Jewish Sabbath (**Shabbat**) or on Jewish holydays. As a result, apart from religious services conducted by the Kehilla, the College is closed throughout the year, from dusk on Friday evening until dusk on Saturday evening and on all Jewish holydays. For the same reason, unlike most other independent schools, the College does not have any Saturday sports (or other) programs.

This Plan of Management relates to the Early Learning Centre, Primary School and Secondary College located on the QPC. The QPC comprises three lots known as 101 York Road, 1 Queens Park Road, and 3 Queens Park Road, Queens Park. The lots are legally described as Lot 22 in DP 879582, Lot 1 of DP 701512 and Lot 3 in DP701512.

7.0 TRAFFIC MANAGEMENT

7.1 Transport, traffic and parking management

In order to operate safely and efficiently and to minimise disruption to neighbours, the College monitors and enforces appropriate traffic and transport arrangements through a Transport, Traffic and Parking Plan (TTPP) which addresses the following matters:

- Pedestrian access.
- Maximising use of public transport.
- Maximising use of bus transport for students.
- Staff parking.
- Student parking to an approved location away from the area bounded by Queens Park Road, York Road, Birrell Street North and Bourke Street east.
- Parent conduct in dropping off and collecting students.
- General public use, including weekend use of the proposed College carpark.
- Site access, including the closure of the Queens Park Road entrance gate to pedestrians from 8am-10am and 2pm-4pm on school days except for security or emergency purposes.

Overall the TTPP discourages parents/guardians from using private transport to drop off and collect students and actively encourages the use of public transport and the College shuttle bus. Private transport arrangements are discouraged and must comply with “internal ring road” and “Go with the Flow” movement systems. The College also actively encourages parents/guardians to car-pool.

Details of the TTPP and its requirements are communicated to parents, guardians, staff and students. The TTPP will be publicly accessible on the College’s website.

7.2 Monitoring and review

The effectiveness of the TTPP is reviewed by the MCCC having regard to any feedback received from Waverley Council.

Alterations to the TTPP require the approval of the MCCC.

Alterations to the TTPP that affect operations of the surrounding road network, including York Road, Queens Park Road and Baronga Avenue, shall be approved by the Waverley Traffic Committee.

- A mechanism for telephone, written and electronic complaints or feedback regarding the operations of the College will be available on the College's website.
- A senior member of the College's Staff will be appointed to ensure any complaints are appropriately recorded, investigated, managed, responded to and actioned.
