

An architectural rendering of the Tweed Valley Hospital. The building is a modern, multi-story structure with a facade of vertical wooden slats and large glass windows. The name "Tweed Valley Hospital" is visible on the left side of the building. The hospital is surrounded by lush greenery, including tall grasses and various plants in the foreground. A paved road with a few cars leads towards the building. The sky is blue with scattered white clouds. The entire scene is framed by the branches of trees in the upper corners.
