Dear Ms Muir,

**Tweed Valley Hospital - Stage 2 (SSD 10353)
Updated Staging Report, Condition A33**

I refer to the updated Staging Report submitted to the Planning Secretary in accordance with condition A33 of the consent for the Tweed Valley Hospital (SSD 10353). I acknowledge and thank you for your response to the Department's review comments.

I note that the updated Staging Report:

- has been reviewed by the Applicant and no issues have been raised;
- includes changes from MOD1 and MOD2 resulting in the addition of 2 stages (from 10 to 12 stages); and
- contains the information required by condition A12 of SSD 10353.

As nominee of the Planning Secretary, I approve the updated Staging Report, Revision 1.3 dated 24 January 2022, in accordance with condition A33 of SSD 10353.

I remind you to submit an updated Staging Report to the Department for approval if any changes to the construction and/or operational staging are made including works under Stages 8, 10 and 12.

Please note that if there is any inconsistency between the approved document and the conditions of consent, then the requirements of conditions of consent will prevail.

If you have any questions or wish to discuss the matter further, please contact Sidonie Crepeau at sidonie.crepeau@planning.nsw.gov.au.

Yours sincerely,

Jake Shackleton
Director – Infrastructure Management

As nominee of the Planning Secretary
