

The Secretary
NSW Department of Planning, Industry and Environment

17 September 2021

ATTENTION: Aditi Coomar

Dear Sir or Madam

I refer to the Department's below email of 9 September 2021 regarding the Supplementary Response to Submissions (SRtS) and an Amended Proposal, further addressing the comments and matters raised during the exhibition of the Environmental Impact Statement (EIS) for Westmead Catholic Community Education Campus for 'Primary school with capacity for approximately 1,680 students, new Parish church, early learning centre, multi-storey car park and drop off zone and landscaping' at 2 Darcy Road, Westmead (Lot 1 DP 1095407, Lot 1 DP 1211982) in the City of Parramatta Local Government Area (LGA). Submissions need to be made to the Department by 23 September 2021.

Endeavour Energy has noted from a review of the documents provided with the SRtS there is no readily apparent direct or significant impact on the existing electricity infrastructure or that required to facilitate the proposed development. However if there is any specific matter on which the Department requires advice from Endeavour Energy, please do not hesitate to contact me or the contacts identified in Endeavour Energy's previous submissions in relation to the various matters.

Due to the high number of development application / planning proposal notifications submitted to Endeavour Energy, to ensure a response contact by email to property.development@endeavourenergy.com.au is preferred.

With the COVID-19 health risk a significant number of Endeavour Energy staff are working from home. Access to emails and other internal stakeholders can accordingly be somewhat limited. As a result, it may sometimes take longer than usual to respond to enquiries. Thank you for your ongoing understanding during this time.

Yours faithfully
