Dear Stirling

**Mount Pleasant Optimisation Project (SSD-10418)
Request for Additional Information**

Following your recent application for the Secretary's Environmental Assessment Requirements for the above project, additional information has been requested by the Division of Resources and Geoscience within the Department (see separate email correspondence dated 13 January 2020).

Please provide the requested information directly to Shirley Hibbs at shirley.hibbs@planning.nsw.gov.au by Friday 24 January 2020. If you have any further questions regarding this request, please contact Shirley directly.

If you have any further questions regarding this project, please contact me on 02 9274 6311 or at lauren.evans@planning.nsw.gov.au.

Yours sincerely,

Lauren Evans

Hi Stirling

Are you able to assist Shirley with the information below?

If you could respond to Shirley directly ASAP, that would be great.

Thanks

Lauren Evans

Planning,
Industry &
Environment

The Department of Planning, Industry and Environment acknowledges that it stands on Aboriginal land. We acknowledge the traditional custodians of the land and we show our respect for elders past, present and emerging through thoughtful and collaborative approaches to our work, seeking to demonstrate our ongoing commitment to providing places in which Aboriginal people are included socially, culturally and economically.

Dear proponent

Please supply the following shapefile(s) and/or coordinates to enable the Division's internal mapping and assessment of the project:

- The project/development application area(s)
- Key features within the project area (for example mine extraction area, ventilation shafts, underground entry portal/box cut, mine infrastructure area, rail loop, ancillary dam etc.)

Please keep discreet project features in separate files and labelled clearly to demarcate from the main project area.

Data must be supplied in GDA 1994 MGA coordinate system, UTM projection and shape files in ESRI shape file format.

Kind regards

Shirley Hibbs
