Dear Ms Muir

**Notice of Determination of Application
The Children's Hospital at Westmead - Multi-storey Carpark (SSD-10434896)**

I am writing to inform you that on 15 September 2021, the Director, Social and Infrastructure Assessments has granted consent to your development application The Children's Hospital at Westmead - Multi-storey Carpark SSD-10434896, as delegate of the Minister for Planning and Public Spaces in accordance with Part 4 of the *Environmental Planning and Assessment Act 1979* (the **Act**).

The development consent is subject to conditions, which are available on the Department's website. The reasons for the conditions are contained in the assessment report. These documents, including any endorsed plans may be found on the Department's Major Projects website at: <https://www.planningportal.nsw.gov.au/major-projects/project/40506>.

The consent operates from 15 September 2021.

The consent lapses on 15 September 2026 unless the development has physically commenced before that date (in the case of development consent for the erection of a building, subdivision of land or the carrying out of a work) or if the use of land, building or work is actually commenced before that date.

The Independent Planning Commission has not conducted a public hearing in respect of the application.

The development involves a building but does not require a construction certificate for the development to be carried out. The class of building under the Building Code of Australia is Class 7a.
