Dear Mr Rumble

**Woolworths Warehouse and Distribution Centre Auburn (SSD-10470)
Agreement to Vary Notice of Commencement**

I refer to correspondence from Vaugh Construction Pty Ltd, dated 2 September 2021, seeking the Planning Secretary's agreement to vary the notice of commencement period for construction of the Woolworths Warehouse and Distribution Centre Auburn (SSD-10470) as per Condition A6 of Part A of SSD-10470.

I note the correspondence requests the Planning Secretary agree to construction of the development commencing upon obtaining all necessary pre-construction approvals, including the Planning Secretary's approval of the Construction Environmental Management Plan required under Condition C2 of Part C of SSD-10470.

The Department has reviewed the request and agrees to the variation of the notice of commencement period allowing construction to commence once all relevant pre-construction approvals and requirements of SSD-10470 have been met.

Should you have any queries in relation to this matter, please contact Shaun Williams, Senior Environmental Assessment Officer, on (02) 8275 1345 or shaun.williams@planning.nsw.gov.au.

Yours sincerely
