

Determination under section 7.9(2) of the Biodiversity Conservation Act 2016

I, Anthony Witherdin, Director Key Sites Assessments, of the Department of Planning, Industry and Environment, under section 7.9(2) of the *Biodiversity Conservation Act 2016*, determine that the proposed development is not likely to have any significant impact on biodiversity values and therefore a Biodiversity Development Assessment Report is not required

Proposed development means Ivanhoe Stage 2 and as detailed in the BDAR waiver application dated 31 May 2021. If the proposed development changes so that it is no longer consistent with this description, a further waiver request is required.

If you do not lodge the development application related to this determination for the proposed development within 2 years of the issue date of this determination, you must either prepare a BDAR or lodge a new request to have the BDAR requirement waived.
