Dear Matthew

Bulga Coal's request for extension of DA 41-03-99 surrender date till the end 2020

Unfortunately there is still one landholder (Vassallo) who has not as yet consented to the surrender of Bulga Coal DA 41-03-99 as required under SSD4960 schedule 2 condition 9 (see attached figure).

Emmanuel Vassllo did discuss relinquishment of DA 41-03-99 with a nearby property owner who has consented to relinquishment but was unfortunately unconvinced. Emmanuel (who grows vegetables in Mangrove Mountain) indicated he would have more time to consider in Autumn (outside of the growing season).

It is therefore requested that SSD4960 schedule 2 condition 9 surrender date for DA 41-03-99 be extended till the 23 December 2020.

Do not hesitate to contact me should you have any queries.

Yours sincerely

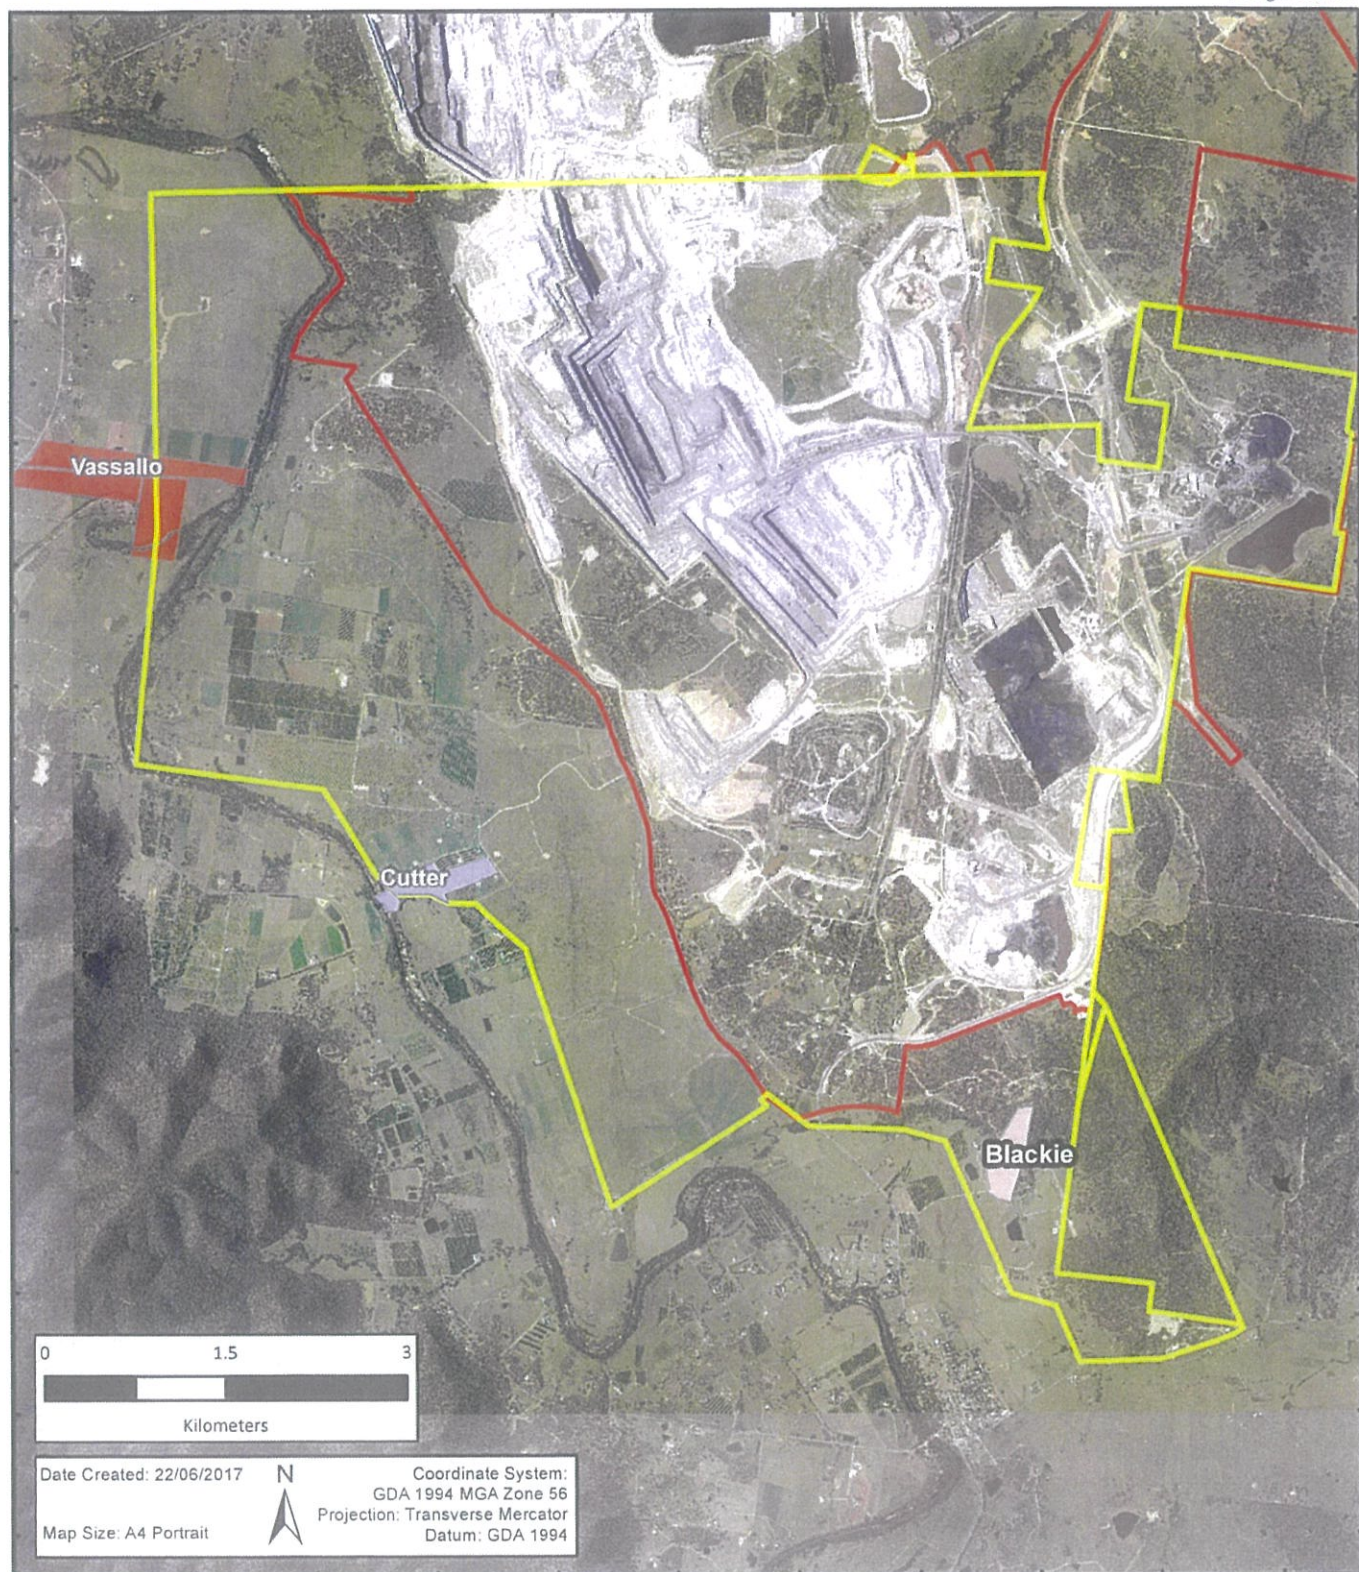

Ralph Northey
