Dear Ms Hollis

**DPI response to request for comment on proposed Modification to
Stratford Extension Project (SSD 4966 MOD 1)**

I refer to your email of 12 August 2016 to the Department of Primary Industries (DPI) in respect to the above matter. Comment has been sought from relevant divisions of DPI. DPI Agriculture is considering this project in conjunction with the Rocky Hill Coal Project (SSD 5156). A separate response detailing agricultural matters will be provided.

Views were also sort from NSW Department of Industry - Lands that are now a division of the broader Department and no longer within NSW DPI.

The Department has no further comments on this project at this time.

Any further referrals to DPI can be sent by email to landuse.enquiries@dpi.nsw.gov.au.

Yours sincerely
