To Whom it may Concern.

My Name is Ric Woods, I live at
46 Young St Carrington mob 0402455695

I STRONGLY oppose this structure
being permitted to be included in the Hunter.

The glossy brochure featuring the soft sell
of the pretty girl and Views of the Blue Sky
will not gloss over sentences like

P4 - "does not represent unacceptable risks"

P4 - "significantly reduce the likelihood of impacts on
air quality -

P4 "dominated by industrial, traffic & port noise"
So make more?

P4 "Use of low noise plant equip. where practicable
I believe there can be no good come from
building this plant so very close to where
many people live

I am against it.

Ric Woods
