Dear Chris

**RE: NOTIFICATION OF EXHIBITION – INCITEC PIVOT AMMONIUM NITRATE
MANUFACTURING FACILITY, KOORAGANG ISLAND**

I refer to your letter of 12 September 2012 regarding the exhibition of a development application and Environmental Impact Statement (EIS) for a proposed development by Incitec Pivot at 39 Heron Road, Kooragang Island. Hunter Water values the opportunity to comment on this development proposal.

Hunter Water has no objections to the development application and EIS. Hunter Water is liaising closely with Incitec with regards to water delivery to the site, so that when they decide to proceed, the development can be adequately serviced.

If you have any questions, please do not hesitate to contact me on (02) 4979 9545.

Yours Sincerely
