Att'n: Mr Nick Hall

Dear Sir,

REF: SUBMISSION Re PROJECT APPLICATION NUMBER SSD-4986

My name is Julie Murray of 8 Rankin Road Fern Bay NSW 2295 and I OBJECT to the above proposal with my reasons being as follows:-

NOISE: 24 hour noise levels are already impacting upon many nearby residents this can only increase with the construction phase of the plant then no doubt 24 hour transport movements will add to the level.

POLLUTING THE HUNTER RIVER: The Hunter estuary is an internationally recognised protected wetland that is home to many important migratory bird species and used by many local fishermen.

Yours faithfully,

Julie Murray
