Subject: exhibition of environmental impact statement

submission for the OBJECTION of proposed
Incitec Pivot Ammonium Nitrate Manufacturing Facility
Development application number (SSD-4986)
Christine Heys
47 Margaret St,
Tighes Hill,
NSW 2297

I Object to this proposal, reasons numerous,

1. noise levels increase
2. pollution levels increase
3. extra traffic congestion
4. hazardous chemicals storage

no political donations to report
