2. Identify the land you propose to de	velop					
Fill out the relevant fields or attach a schedule of la	nds and a detai	led map of the land.				
Site Name (Enter the common name for the site e.g. Liverpool Hospital, Drayton South Coal Mine etc.)						
Atlas-Campaspe Mineral Sands Mine						
Street or Property Description						
via Link Road						
Suburb, town or locality	Postcode	Local government area				
Hatfield	2715	Balranald and Central				
Lot/DP or Lot/Section/DP or Lot/Strata no.	tion DD and atr	Darling Shires				
Please ensure that you put a slash (/) between lot, see piece of land, you will need to separate them with a con						
Refer to Attachment 2 of the EIS						
Note: You can find the lot, section, DP or strata number on a map of the land or on the title documents for the land, if title was provided after 30 October 1983. If you have documents older than this, you will need to contact the Land & Property Management Authority for updated details. OR: detailed description of land attached:						
3. Describe what you propose to do						
Briefly describe your proposal						
Development of a mineral sands m	ine and th	e construction and				
operation of a rail loadout facility.						
What is the capital investment value of the developmen	t?	\$197,700,000				
If the development is State significant because it meets the capital investment value (CIV) criteria in a class of Schedule 1 or 2 of State Environmental Planning Policy (State and Regional Development) 2011, the supporting document must include a quantity surveyor's report confirming the CIV of the development.						
4. Staged development						
You can apply for development consent for only pa a later stage.	rt of your prop	osal now, and for the remaining part(s) at				
Are you applying for development consent in stages?						
Yes □> Please attach						
 information which describes the stages of your development a copy of any consents you already have for part of your development. 						
No 🛛						
5. Critical habitat and threatened spe	cies	LINS SELECTION OF SECURITION O				
Is the land, or part of the land, critical habitat? Yes No X						
Is the development likely to significantly affect threatenetheir habitats?	ed species, pop	ulations or ecological communities, or				
Yes ⊠ No □ >						
Is the development biodiversity compliant? (refer to Schedule 1, Part 1(2) of the <i>Environmental Planning and Assessment Regulation 2000</i>)						
Yes ☐ > Why is the development biodiversity compliant?						
Not Applicable						
No						

6.	Other approvals						
Would the development, but for section 89J of the EP&A Act, require any of the following (select all that apply)?							
	concurrence under Part 3 of the Coastal Protection Act 1979 of the Minister administering that Part of that Act						
X							
×							
X	a bush fire safety authority under section 100B of the Rural Fires Act 1997						
	a water use approval under section 89, a water management work approval under section 90 or an activity approval under section 91 of the water Management Act 2000						
Do	er to carry out the development (select all that apply)?						
	an aquaculture permit under section 144 of the Fisheries Management Act 1994						
	an approval under section 15 of the Mine Subsidence	e Compensation Act 1961					
	a mining lease under the <i>Mining Act 1992</i>						
	a petroleum production lease under the <i>Petroleum (Onshore) Act</i> 1991						
X	(for any of the purposes referred to in section 43 of that Act)						
X	☑ a consent under section 138 of the <i>Roads Act 1993</i>						
	a licence under the Pipelines Act 1967						
X		anagement Act 2000					
	ensultation and concurrence						
X	Would the development, but for Section 79B (2A) of the EP&A Act have required a concurrence under Section 79B of the Act, including a concurrence under the <i>Threatened Species Conservation Act 1995</i> ?

10. Accompanying documents (to be included as part of EIS)

	anning and Assessment Regulation 2000) have been included in the EIS (select all that apply)?						
X							
\boxtimes	a sketch of the development.						
	an A4 plan of the building that indicates its height and external configuration, as erected, in relation to its site.						
X							
	preliminary engineering drawings of the subdivision work to be carried out (if any).						
	documentary evidence that any arrangements required by an environmental planning instrument to have been made before development consent may be granted have been made.						
	he development involves a change of use of a building (other than a dwelling house or a building or ucture that is ancillary to a dwelling house and other than a temporary structure):						
	a list of the Category 1 fire safety provisions that currently apply to the existing building						
	a list of the Category 1 fire safety provisions that are to apply to the building.						
If t	he development involves building work to alter, expand or rebuild an existing building						
	a scaled plan of the existing building.						
	he land is within a wilderness area and is the subject of a wilderness protection agreement or nservation agreement within the meaning of the <i>Wilderness Act 1987</i> :						
	a copy of the consent of the Minister for the Environment to the carrying out of the development.						
	he development is development to which clause 2A of Schedule 1 of the <i>Environmental Planning and</i> sessment Regulation 2000 applies:						
	a BASIX certificate(s) issued no earlier than 3 months before the application is made.						
	such other documents as any BASIX certificate for the development requires to accompany the application.						
	he development is BASIX optional development and the development application is accompanied by a sSIX certificate(s):						
	such other documents as any BASIX certificate for the development requires to accompany the application.						
If t	he development involves the erection of a temporary structure:						
	documentation that specifies the live and dead loads the temporary structure is designed to meet.						
	a list of any proposed fire safety measures to be provided in connection with the use of the temporary structure.						
	in the case of a temporary structure proposed to be used as an entertainment venue, a statement as to how the performance requirements of Part B1 and NSW Part H102 of Volume One of the <i>Building Code of Australia</i> are to be complied with (if an alternative solution, to meet the performance requirements, is to be used).						
	documentation describing any accredited building product of system sought to be relied on for the purposes of section 79C(4) of the <i>Environmental Planning and Assessment Act 1979</i> .						
	copies of any compliance certificates to be relied on.						
	he development involves the use of a building as an entertainment venue or a function centre, pub, gistered club or restaurant:						
	a statement that specifies the maximum number of persons proposed to occupy, at any one time, that part of the building to which the use applies.						
	he development is residential flat development to which State Environmental Planning Policy No. 65 – sign Quality of Residential Flat Development applies:						
	an explanation of the design in terms of the design quality principles set out in Part 2 of State Environmental Planning Policy No. 65 – Design Quality of Residential Flat Development.						
	drawings of the proposed development in the context of surrounding development, including the streetscape.						
	development compliance with building heights, building height planes, setbacks and building envelope controls (if applicable) marked on plans, sections and elevations.						
	drawings of the proposed landscape area, including species selected and materials to be used, presented in the context of the proposed building or buildings and the surrounding development and is context.						
	details of the existing and likely future contexts, if the built form of the surrounding area is changing.						
	photomontages of the proposed development in the context of surrounding development.						
	a sample board of the proposed materials and colours of the façade.						
	detailed sections of proposed facades.						
	a model that includes the context, if appropriate.
