## **Atlas-Campaspe Mineral Sands Project**

---

### **Supports this project**

Cristal Mining has proved itself in its previous & continuing mines, Ginko & Snapper. The approval of Atls Campaspe is a positive step in the future of Broken Hill, Mildura & surrounding areas. I am employed by Cristal in the Laboratory & have previously been a operator at the Broken Hill MSP. I have enjoyed working for & watching this company grow & I honestly believe that Cristal Mining Australia is the future of this great town Broken Hill where I am a Born & bred local. I support this project & sincerly hope you do to.
