Dear Ms Gibson

North Ryde Station Redevelopment Project (SSD 5093 MOD 2) Comment on the Response to Submissions Report

I refer to your email dated 26 July 2016 to the Department of Primary Industries (DPI) in requesting comment on the above matter. Comment has been sought from relevant divisions of DPI. Any further referrals to DPI can be sent by email to landuse.enquiries@dpi.nsw.gov.au.

The Department has reviewed the Response to Submissions document and provides the following recommendation:

- The reference to consult with the Department of Primary Industries in the section on interception of groundwater during excavation of the borrow pit be amended to refer specifically to Department of Primary Industries – Water to ensure the appropriate division is consulted.

Yours sincerely
