Attention: Lauren Evans

**MANDALONG SOUTHERN EXTENSION PROJECT – SSD 5144 MOD5 – MANDALONG MINE,  
KERRY ANDERSON DRIVE, MANDALONG**

Reference is made to the department's email dated 25 May 2017, regarding the abovementioned application which was referred to Roads and Maritime Services (Roads and Maritime) for comment.

Roads and Maritime understands the modification application to be for:

- Extension of an approved longwall panel (LW 24),
- Addition of a new longwall panel (LW 24A), and
- Extraction of approximately 3.71 million tonnes of additional coal from the new/extended panels.

Roads and Maritime note that there is no change proposed to the coal handling process, where coal is transported by underground conveyor with no increase to the approved rate per annum.

Roads and Maritime response

Roads and Maritime has reviewed the information provided and raises no objection to the proposed development.

On the Minister's determination of this matter, please forward a copy of the Notice of Determination to Roads and Maritime for record and / or action purposes. Should you require further information please contact Hunter Land Use on 4908 7688 or by email at [development.hunter@rms.nsw.gov.au](mailto:development.hunter@rms.nsw.gov.au)

Yours sincerely
