Subject: HPE CM: RE: Viva Energy (formerly Shell) Clyde Terminal - SSD 5147 MOD 1 - Proposed Modification - Notification Letter - OEH Heritage Division

Categories: No Comment, Agency Response

Hi Patrick

I've had a look at the documentation, there are no State Heritage concerns regarding the proposed modifications that require a formal response from the Heritage Division.

DPE does not need to refer this project, including any future modifications, to the Heritage Council (i.e Heritage Division of OEH), however other Divisions of OEH may respond separately in relation to Aboriginal Cultural Heritage or biodiversity.

Kind regards
Adrian
