Dear Sir/Madam

**MODIFICATION TO THE EASTERN CREEK BUSINESS HUB
ROOTY HILL ROAD SOUTH, ROOTY HILL**

Reference is made to the Department of Planning and Environment (DPE) correspondence dated 15 May 2018 and the subsequent information submitted to Roads and Maritime by the applicant (specifically Tim Rodgers) on the 21 June 2019, regarding the abovementioned application which was referred to Roads and Maritime Services (Roads and Maritime) for comment. Please note that this letter supersedes the letter provided on the 25 June 2019.

Roads and Maritime note that the design of the roundabout, in its current form may impact the functioning of the Rooty Hill Road South / Cable Place intersection. However, Roads and Maritime would have no objections, in relation to the construction of a roundabout, providing that the access to Lot 2 from the proposed roundabout is modified from an entry/exit access to an entry only access arrangement. Amended plans reflecting the above modification are to be submitted to DPE for their review and approval.

Any inquiries in relation to this Application can be directed to Amanda Broderick on 8849 2391 or development.sydney@rms.nsw.gov.au.

Yours sincerely,
