

Subject Blacktown Mt Druitt Hospital - Bicycle Parking and End of Trip Facilities

Date 5 November 2012

Job No/Ref 221031

Bicycle Parking

The new multi storey car park is centrally located on the hospital site and adjacent to the main hospital spine road. Bicycle parking racks are to be located within the multi storey car park which provides undercover storage. In this location they are away from pedestrian circulation areas and easily accessible to the hospital building via the main walkway.

The location of the 40 bicycle spaces is shown on Figure 1 and Figure 2. The ground floor provides 24 spaces and the first floor provides 16 spaces.

End of Trip Facilities

Staff change room facilities including lockers are available throughout the hospital. All 4 levels of the refurbished building and the 5 levels of the new building have staff shower, locker and property bay facilities as described below. The floor plans highlighting these facilities are attached to this memo.
