Dear Sir

Resource Recovery Facility – Kembla Grange
Property: 50 Wyllie Road, Kembla Grange
Application No. SSD 5300

Kaliwest Pty Limited is the owner of the Property comprised in Lot 562 in Deposited Plan 823270 known as 17 Reddalls Road, Kembla Grange.

That Property is currently used for uses including storage and distribution of motor vehicles.

That Property is approximately 1 kilometre from the property at 50 Wyllie Road, Kembla Grange, in respect of which SSD 5300 is being considered.

Kaliwest Pty Limited notes that various Environmental Impact Statements have been lodged with the application in relation to 50 Wyllie Road including one dealing with air quality and dust deposition levels (Emissions) as emissions to air from the site.

Whilst Kaliwest Pty Limited does not object to the proposed works, it submits that appropriate conditions should be imposed to ensure that such Emissions do not interfere with the use and enjoyment of surrounding Properties, including the Property owned by Kaliwest Pty Limited at 17 Reddalls Road and to ensure continued monitoring of Emissions.

In particular, but without limitation, no such Emissions, particularly emissions of dust, should occur which would interfere with the outdoor storage of motor vehicles on the Property owned by Kaliwest Pty Limited at 17 Reddalls Road.

I confirm that Kaliwest Pty Limited has not made any reportable political donation within 2 years before the date of the relevant application.

Yours faithfully
Kaliwest Pty Limited

S Kaplan
Director
