Dear Sir,

RE: Exhibition of SSD 12_5374, Barangaroo Central Waterfront Promenade and Interim Public Domain Works, Barangaroo Central

I refer to City of Sydney letter dated 11 January 2013 to Department of Planning and Infrastructure on the above subject.

City of Sydney makes the following Recommendation:

Recommendation 11

The exact locations for truck holding areas are to be identified. All truck holding areas are to be located on-site.

BPL confirms truck holding will be provided within the site boundary.

BPL also confirms, in keeping with Council requirements, it will maintain footpaths and road surfaces clear of construction materials during the works and make good any construction related damage.

Should you have any questions regarding the above please do not hesitate to contact me.

Yours faithfully
BAULDERSTONE PTY LTD
