Dear Ms McNally,

RE: Central Barangaroo Waterfront Promenade & Interim Public Domain Works State Significant Development (SSD12_5374) - Application to Modify Development Consent under Section 96(1A)

The Barangaroo Delivery Authority (the Authority) received Development Consent on 11 September 2013 for Central Barangaroo Waterfront Promenade and Interim Public Domain Works. As part of the design development and Central Barangaroo Masterplan processes a number of relatively minor refinements to the approved design are now proposed.

The Authority is of the opinion that these refinements involve minimal environmental impacts and has identified the need to submit an application under Section 96(1A) of the Environmental Planning and Assessment Act 1979 (EP&A Act) to modify Development Consent to the State Significant Development for Central Barangaroo Waterfront Promenade and Interim Public Domain Works (Application Number: SSD12_5374).

Accordingly, the Authority is now seeking modification of SSD12_5374 to recognise the subject design changes. Details of the changes are included as Attachments A, B and C to this letter.

Should you require any further information or have any questions, please do not hesitate to contact Peter Funder – Senior Project Manager on (Tel: (02) 9255 1726 or Email: Peter.Funder@barangaroo.nsw.gov.au).

Yours sincerely

Craig van der Laan
Acting Chief Executive Officer
