

Request to Modify a Consent for State Significant Development

Introduction & Notes

Please Note: You will be assigned one Job Number per application for a modification to a major project. If you have multiple approvals that you wish to modify you must lodge a separate modification application for each major project approval.

This form is required to apply for modification of a Part 4 consent for State significant development under section 96 or 96AA of the *Environmental Planning & Assessment Act 1979* (EP&A Act).

Before lodging this form you should contact the Department of Planning and Environment to discuss the information requirements and fee for your application.
